Vol 8 Issue 9

Low Cost Internet

AT&T has a wonderful low cost option to get your own internet in your apartment. It is called AT&T Access. If you are getting Food Share (the Quest card), you may qualify to get internet in your apartment for as low as \$10 per month. There is an online application that has to be filled out to qualify for this special program. You will get a router that gives you your own wireless internet in your apartment and it is MUCH faster than the free wireless internet that we provide. When applying, you will need to submit a copy of your Quest card to verify you are getting Food Share benefits. There are no commitments, no deposit fee and no installation charges. It sounds too good to be true but it is not. There are a couple residents in the building that have this service and it has worked great. If you would like to apply for this special internet discount, you can see Erin during open office hours or call to schedule a visit with her. Her phone number is 424-7652. If you have access to a computer, you can go to <https://www.att.com/shop/internet/access/#!/> to start the application yourself!

When you are sick

If you get the flu, cold, or someone contagious illness, please:

- * Limit your time in the common areas so you do not spread your illness to others
- * Make sure you are covering your cough with the inside of your elbow
- * Make sure you are washing your hands regularly, especially after you blow your nose or use the bathroom
- * Avoid going to meal site when you are not feeling well. You can call the meal site manager to have it bagged due to health concerns for the day or you can cancel your meals the day before.

Germs can travel very quickly in an apartment complex. The flu and colds can be very dangerous for those with compromised immune systems or preexisting conditions such as COPD so it is important that you take these simple precautions to protect everyone in the building.

Winnebago County Wheelchair Wash

When: Saturday, Sept 22 10:00am-2:00pm

**Where: Bergstrom Cadillac
Southwest corner of lot**

150 N Green Bay Road, Neenah

Change in Resident Meeting Times

Over the past several months, Foxview's resident meetings have gone into Riverside's time for their resident meeting. So to alleviate this issue, Riverside's resident meetings will now start at 1:15pm and Foxview's resident meetings will start at 3:00pm. Please note the change on the calendars and if you have any questions, please talk to staff.

Resident meetings are important and we encourage everyone to attend. They are held every other month. Special speakers are often scheduled for your own continued education. Staff also talk about policy changes, house rules, and upcoming situations/events. Resident meetings are also an excellent time to express your questions, concerns and comments about your community. This is a time when activities are planned. Your input is HUGELY appreciated.

Are you Registered to Vote?

Once again this year, we will be holding a special event that is facilitated by Winnebago County League of Women Voters to make sure that everyone that wants to exercise their right to vote can do so. They will be helping people register to vote, make sure you are signed up to receive an absentee ballot is this is what you so want and answer any voting questions for you. Ann Marshall will be speaking at our resident meetings on September 19th. Then she and her volunteers will be back on Thursday, September 20th at 1:00pm at Foxview Manor (330 W. Main St in Omro) to get everyone registered for the upcoming election. Last year we had everyone at Riverside in Winneconne so it is only fair to alternate locations. For those at Riverside, if you want to go but don't have a ride, talk to Erin as soon as possible so a ride can be arranged for you.

In Case of a Tornado

With the crazy weather we have recently went through, a good refresher on what to do in case of a tornado warning is probably good for everyone. During a tornado WATCH, it just means that conditions are favorable for a tornado. At this time, you should continue to watch the news or listen to the radio to see if it transitions into a tornado WARNING. During a tornado WARNING, it means a tornado has been seen or picked up on the radar. This is when you should be taking action. For those on the second and third floors, you should be congregating in the first floor hallway so that you are not by any windows or doorways. The community room is not the safest place to be due to all the windows. If you live on the first floor, you can simply go into your bathroom and shut the door. If you do bring pets out of your apartment, make sure they are either kenneled or leashed. Please help your neighbors during these scary and trying times by providing a chair to sit on and company.

Green Bay Packers 2018 Schedule

GO PACKERS!

WEEK	DATE	OPPONENT	TIME(ET)	SCORE
