"This was eye opening..."

"The Power of Money class was eye opening. With the knowledge I gained, in the last 18 months, I started an emergency savings account, maintained a put and take savings account, paid off my credit card, paid off one student loan and paid my bills on time without worry every month.

Having a handle on my finances allowed me to jump at some incredible opportunities guilt free, including traveling to Kentucky, San Francisco and Germany.

Thank you for the guidance you shared. It dramatically improved my life."
