Nurses Notes

HOW TO GET RID OF NEEDLES SAFELY

You would not want anyone to get poked and hurt by any needle, especially a used needle. If you have any kind of needle (includes those little needles used to poke your finger to test your blood sugar), please do the following:

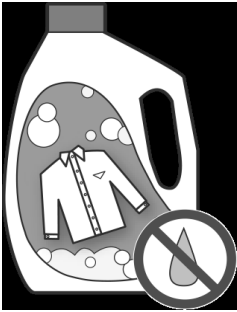

1. Put the needle in a hard, heavy duty plastic container with a hard tight fitting lid/cap. It must be a container that a needle cannot poke through.

Examples:

Use a red sharps container.
Check with your pharmacy or doctor.
There may be a cost.

Use a plastic laundry bottle.
If you don't have one, ask the
office in your building for one.

2. DO NOT PUT IN TRASH OR RECYCLING. Bring the sharps container or laundry bottle down to the office in your building. The Housing Nurse will take them to be disposed of in a safe way. (You can also check with your local hospital or pharmacy to see if they will take them. Call ahead.)

DO NOT USE containers that can break or puncture easily such as:

- Milk jug, water or soda bottle, deli container, cool whip container (too thin)
- Glass container (can break)
- Coffee can (lids are thin)
- Pop can (too thin and has no lid)

DO NOT throw needles out any other way:

- Do not put in trash
- Do not put in recycling

Garages Inspection and Use

I will be doing garage inspections on June 24, 2019 beginning at 9:00am and ending around 12:00pm. Residents with garages cannot do the following activities in and around their garages: smoking, grilling and lounging in the garage. The main use of your garage is storage of your vehicle. These three activities bring unneeded risks to the property and residents.

Waterfest Parking

As in years past, tenants will have an opportunity to direct parking at the lot to the east of Court Tower during Waterfest and other special events. All proceeds from the parking will go to the Recreation Fund. Please see Jane for more details.

Planting and Weeding - Volunteers Needed

Linda is seeking a team of tenants to assist in the weeding of the landscaped areas through the spring, summer and fall seasons. If you are able and interested in assisting in these areas, please see Linda.

Air Conditioning Instructions

Some tenants have requested that I publish the directions for turning on air conditioning. So here it is:

How to turn on your "Cool" setting

Press Menu

Press No

Should read "Sys Mode"

Press Yes

Push triangle buttons until it reads "Cool"

Press Yes

Press Yes again to exit

4th of July outside your window

Just in the case everyone does not know, I thought I would take a moment to inform everyone that the Fireworks will be held on Pioneer Island. Also there will be festival activities that will take place at the Leach Amphitheater and Riverside Park. This means that your quiet neck of the city will be the busiest part of the city for a day. The vacant lot will be available to the public to park vehicles and to observe the fireworks from. It is free parking.

-Do not flush down the toilet

DO NOT leave needles out in the open. Your pet or any children that come in contact with them could get hurt.

***EVERYONE: Plastic laundry bottles are needed!**

Please rinse them out and bring them to the office.*

Questions? Call the Housing Nurse: 424-1470 ext. 124.

2019 Waterfest Concert Parking Volunteers

Waterfest 34 is almost here, beginning on Thursday, June 20. The complete 2019 Waterfest schedule can be viewed at <http://www.waterfest.org/>

We will again be offering Waterfest patrons the ability to provide a donation to park on the property adjacent to the east side of Court Tower. We are looking for resident volunteers to coordinate the parking on Waterfest nights. All parking proceeds will be applied to the resident recreation funds. This volunteer opportunity is open to residents from all of the Housing Authority buildings. Parking proceeds for an evening will be split equally if participating residents are from more than one Housing Authority building. This is a great way to raise money for your building's recreation fund!

If you are interested in volunteering for Waterfest parking, please inform the management at your building. Jane Spietz will be maintaining and regularly updating the 2019 Waterfest Parking Volunteer roster as changes occur.

Please contact Jane at 920-424-1483 or janes@ohawcha.org with any questions.
