Flat Rent Stays the Same for 2021!

The Oshkosh Housing Authority offers a Flat Rent option in accordance with HUD Public Housing regulations. HUD requires Public Housing Agencies to annually review and establish next year's flat rents at levels no lower than 80 percent of the Fair Market Rental (FMR) rate, and any increase caused by an increase of the flat rent required by HUD shall be limited to 35% of the existing flat rent per year unless state or local law requires a lesser increase. HUD has published the 2021 FMR's. The Oshkosh Housing Authority has determined that our flat rents for Efficiency through 5- bedroom units require an increase less than 35% of the existing flat rents.

Flat Rent affects residents who have elected to utilize this option. If you have questions about Flat Rent, please call me at 303-5400 or email at bobb@ohawcha.org.

CDC Eviction Moratorium

The CDC Order temporarily halts residential evictions of covered persons for nonpayment of rent during September 4, 2020, through December 31, 2020. This means that a landlord, owner of a residential property, or other person with a legal right to pursue an eviction or a possessory action cannot evict for nonpayment of rent any covered person from any residential property in any U.S. state or U.S. territory where the Order applies.

The CDC Order applies to a "covered person" who is any tenant, lessee, or resident of a residential property who provides to their landlord, the owner of the residential property, or other person with a legal right to pursue eviction or a possessory action, a declaration under penalty of perjury that:

(1) The individual has used best efforts to obtain all available government assistance for rent or housing;

Father Carr's Place 2B Home Delivered Thanksgiving Meals

Father Carr's Place 2B volunteers will be providing home cooked meals on Thanksgiving Day Thursday, 11/26/20 from 11:00 AM - 12:00 PM. If you would like a Thanksgiving Day meal delivered to your apartment, contact Jane at 920-424-1483 or janes@ohawcha.org.

The **deadline** to sign up is **Thursday, 11/12/20**.

Social Security Announces 1.3 Percent Benefit Increase for 2021

Social Security and Supplemental Security Income (SSI) benefits for approximately 70 million Americans will increase 1.3 percent in 2021.

The 1.3 percent cost-of-living adjustment (COLA) will begin with benefits payable to more than 64 million Social Security beneficiaries in January 2021. Increased payments to more than 8 million SSI beneficiaries will begin on December 31, 2020. This will also affect those that receive Veterans and Medicare benefits.

Please provide your new benefit letter to the office to be copied when you receive it.

Medicare Open Enrollment Period Reminder

Every year, Medicare's open enrollment period is **October 15 - December 7**.

Medicare health and drug plans can make changes each year - things like cost, coverage, and what providers and pharmacies are in their networks. October 15 to December 7 is when all people with Medicare can change their Medicare health plans and prescription drug coverage for the following year to better meet their needs.

Call 1-800-MEDICARE, go to [Medicare.gov](https://www.medicare.gov), Joan Jaworski, Winnebago County Benefit Specialist at 236-4685 or contact Jane at 920-424-1483 to find Medicare plan information or to compare plans.

COVID-19 Regional Testing Site—Testing is Free

Location: Sunnyview Expo Center
500 E County Road Y
Oshkosh WI 54901

Hours: Monday - Friday 10 am - 6pm
Saturday 8AM - 4 PM
Sunday Closed

Registration Info:

It's highly recommended that you register ahead of time at register.covidconnect.wi.gov. To register, click on the blue button that directs you to a screening questionnaire. If there are multiple people in your family being tested, you can use the same email address but a questionnaire must be completed for each individual.

No identification is necessary. You'll be asked your name, birthday, address, phone number, race, ethnicity, and gender. By asking for race, ethnicity, and gender possible disparities can be identified. Once you have completed registration, you will receive a QR code that you will need to present at the testing site.

Who should get tested?

Anyone over age 5 who is experiencing symptoms of COVID-19 or has been in contact with someone who has tested positive for COVID-19 is encouraged to get tested. Contact a pediatrician or healthcare provider for children under five years old.

Symptoms of COVID-19 may include:

*Fever	*Loss of taste or smell
*Cough	*Diarrhea
*Shortness of breath or difficulty breathing	*Vomiting
*Sore throat	*Nausea
*Headache	*Runny nose
*Chills	*Muscle aches

What should I do while waiting for my results?

While you're waiting for your test results, it's important that you isolate yourself. Do not have contact with others. Do not go to work, meet up with friends or attend gatherings. Isolating yourself will prevent spread of the virus should you test positive.

When will I get my results?

You should receive a phone call or email within 3-7 business days. If you test positive Public Health staff will call to guide you.

(2) The individual either (i) expects to earn no more than \$99,000 in annual income for Calendar Year 2020 (or no more than \$198,000 if filing a joint tax return), (ii) was not required to report any income in 2019 to the U.S. Internal Revenue Service, or (iii) received an Economic Impact Payment (stimulus check) pursuant to Section 2201 of the CARES Act;

(3) The individual is unable to pay the full rent or make a full housing payment due to substantial loss of household income, loss of compensable hours of work or wages, a lay-off, or extraordinary out-of-pocket medical expenses;

(4) The individual is using best efforts to make timely partial payments that are as close to the full payment as the individual's circumstances may permit, taking into account other nondiscretionary expenses; and

(5) Eviction would likely render the individual homeless— or force the individual to move into and live in close quarters in a new congregate or shared living setting—because the individual has no other available housing options.

Enclosed in this newsletter is a declaration that is compliant with the CDC order and goes into greater detail. Anyone who feels they are “covered person” as defined as above may sign and return to me. Please understand that if a declaration is not provided, you may not be afforded the protections of order.

If you have questions, I can answer them as well provide a copy of the CDC order and a FAQ sheet.

Social Security benefits to rise by 1.3%. Bring us your new letter when you get it.

In October 2020, the Social Security Administration announced that all benefits will increase by 1.3%. This will also affect those that receive Veterans and Medicare benefits.

Please bring us your new benefits letter when you receive it in December or January. This increase will be calculated at your annual certification.

Annual Inspections to resume in November.

Due to Covid-19 annual inspections were abruptly halted in March 2020. I plan to begin inspections again in November. Residents will be properly noticed. My preference is to complete inspections when a resident is not home or is willing to step out for me to conduct the inspection. If this is not feasible I will ask the resident to wear a mask when I am completing the inspection.

Please take this as an opportunity to start getting your unit prepared for its annual inspection. Enclosed is the annual inspection guide.

If you have any questions, please call me at 303-5400 or email at bobp@ohawcha.org.
