Manager's Corner

Emergency Work Orders Only

We are addressing emergency maintenance calls only. Please understand that HA maintenance when entering a unit could be wearing the following combination of PPE (gloves, eye shield, masks and Tyvek suits) even if the person says they are not sick. A person can be contagious 2-3 days before they show symptoms or may never have symptoms. Maintenance can advise a tenant to move to another room and to put their mask on while the staff is in their apartment. Maintenance has been instructed to inform the property manager if there are problems with process. Please report these by completing the work order requests or contacting the property manager at 920-303-5400 or bobp@ohawcha.org.

Wear a Mask

In the first week of December all tenants received a letter from Susan van Houwelingen (Executive Director of the Oshkosh / Winnebago County Housing Authority) indicating that failure to wear a mask in any common areas of the building will be considered a lease violation and will lead to the termination of your lease if noncompliance continues.

We have been doing this since March 2020. It is understood that everyone is tired of these steps but understand if masking, distancing and sanitizing is done consistently, you WILL see positive cases dwindle. Neighbors are concerned, so please be a good neighbor and mask, distance and sanitize often.

Lock your Windows in the Winter

Please lock your windows using the hardware on the middle sill of the window. Turn the hardware to the left to lock it. Locking the window creates a tight seal. It reduces any windy breezes or water that may come in the window so it helps keep your unit warmer.

Coronavirus Response And Relief Act Relief Bill

The Coronavirus Response And Relief Supplemental Appropriations Act Relief Bill was signed into law the last week of 2020. The Bill extends the federal eviction moratorium, sets aside \$25 billion for rental assistance, and extends unemployment benefits that were about to expire for an estimated 12 million people.

What's Important in this bill?

1. Direct payments: The legislation includes direct payments of \$600 per person for adults and children claimed as dependents under 17. This means that a family of four could receive \$2,400.

Individual adults with adjusted gross income on their 2019 tax returns of up to \$75,000 a year will receive a \$600 payment.

The size of the payment decreases for those who earned more than \$75,000 per year and disappears entirely for Americans earning more than \$99,000.

Heads of households making up to \$112,500 a year will receive a \$600 payment. A couple (or someone whose spouse died in 2020) earning up to \$150,000 a year will receive \$1200.

These families will also receive \$600 for each child dependent child under the age of 17.

2. Moratorium on Evictions for Non-payment of Rent and Other Fees Extended

Most notably, the new COVID-19 relief legislation extends the eviction moratorium through the end of January 2021 (1/31/2021) and establishes a \$25 billion dollar rental assistance program, which is funded through the Coronavirus Relief Fund.

This Moratorium On Evictions is separate from the moratorium provided under the CARES Act, which is still in effect for those properties under forbearance.

If a tenant has not already done so, legal leaseholders must provide an executed copy of the CDC Declaration Form (or a similar declaration under penalty of perjury) to the owner/agent. A version of the Declaration Form is available on HUD COVID-19 web page.

3. \$300 a Week In Extra Unemployment Aid

Aside from the \$600 stimulus checks, the Stimulus Bill also includes an extra \$300 a week in unemployment aid. That means that jobless workers would receive their regular state unemployment payments, plus \$300 on top of that through March 14, 2021.

The Pandemic Unemployment Assistance (PUA) program, which covers gig workers and self employed workers, would also be extended, as would the Pandemic Emergency Unemployment Compensation (PEUC) program, which provides additional weeks of jobless aid to those who have run out of their regular state unemployment benefits.
