Manager's Corner

Masks Are Still Required

Even though many have become vaccinated, masks are required to be worn in all common areas of the building. Even with vaccination coronavirus can still be spread. If someone needs a mask or a shield please let know and we will get you one.

Mail Time in the Lobby

We would like to encourage residents to follow the rule of three people in the lobby at a time which is posted. For the most part everyone does a great job of this except at mail time. At that moment, the mail area becomes a work space for the mail person. Please provide them space to deliver mail safely and without a large group. Please go for a walk or stay in your unit until the mail person is done. Thank you.

Patios/Balconies – Outside Furniture Only

Furniture specifically designed and sold as outdoor furniture can be kept on your patio/balcony. **Indoor furniture cannot be kept on the patio/balcony.** This includes upholstered furniture (couches, recliners) as well as kitchen tables, indoor wood chairs, mattresses, bookshelves, and cabinets.

Return shopping carts promptly when you are finished with them

Please return shopping carts to the designated area by the 1st Floor Entry. They are not meant to be kept in apartments. They are meant to assist residents with items like groceries from their vehicle or 1st floor to their apartments. Please return carts when you are finished with them.

Green Team

We are looking for residents who don't mind getting a little dirty, enjoy helping neighbors and really like seeing the property with a thriving green space. There are opportunities for planting, weeding and trimming of plants, trees and bushes around the property. Please let Linda know if you are interested in any of these opportunities.

April is Volunteer Celebration Month

Though that last year has made it very challenging to volunteer as a group,

many individuals continued to find opportunities to make our community a better place through their service. Thank you to everybody who still “rolled up their sleeves” safely and volunteered in 2020. We are hoping that 2021 leads to us back to the great volunteer activities that we used to have every year.
