Ward 8

Thank you for your patience as the new fob system is being set up.

Place fob near the center of the black box– not near the red light. If you have any questions on how to use the fob see the office. The front circle drive door also has a code options for those that have caregivers that come while the doors are still locked (early morning, evenings and weekends). These codes will be entered by the end of the first week in April. The old fobs no longer work. If you still need to pick up your fob please do so as soon as possible. The call intercom call box still works for people to dial your apartment number and for you to talk to them and/or let them into the building when the doors are locked by pressing 9 on your phone.

If you have information you would like to submit for the Marian Messenger contact Mary Jo at 920-424-1450 Ext. 136 or email at maryjos@ohawcha.org.

Please submit any material by the 20th of the month if you would like your information posted in next month's newsletter.

Wisconsin's annual statewide tornado drills

Wisconsin's annual statewide tornado drills will take place on April 10 at 1:45 p.m. and 6:45 p.m., offering an opportunity to practice your tornado sheltering plans. Schools, businesses, and homes are encouraged to practice going to their nearest tornado shelter during the drills, as if there were an actual tornado warning in effect. Ideal tornado shelters can include a basement, a ground floor interior room of a building, or a specially constructed safe room designed to withstand high winds and falling debris.

During the drill times, Wisconsin's NWS offices will conduct NOAA Weather Radio tests that can be heard if you are actively listening to those devices or have one programmed to activate on test alerts. Local media outlets may also participate on the air or over social media. Some communities may also choose to test their outdoor warning sirens during the drill times. Check with local emergency management offices for information on siren testing schedules.

If there is a threat of severe weather in Wisconsin on April 10, the statewide drills will be postponed until Friday, April 11. The drills will go on in all other conditions, including non-severe weather (clouds, rain, dark sky, scattered thunderstorms, etc.). If severe weather is also expected on Friday, the drills will be cancelled. Notification of the drill status will be posted at <http://readywisconsin.wi.gov> by 10 a.m. on the morning of April 10.

Nurses Notes:

Sharps containers

- You should be using a sharps container not a detergent bottle.
- If you need one ask your social worker or nurse
- Use the sharps container until it is full and turn it in to your social worker or nurse.
- Only put sharps/needles in the container. Everything else can go in the garbage.

Medication you no longer use

- Do not throw it in the garbage or down the drain.
- Drop them off in the Drug Drop Box at the Oshkosh Police Department
- If transportation is an issue give them to your apartment social worker or the nurse.

Respiratory illness is still on the rise!

- Stay home if you are ill.
- Symptoms need to have improved for 24 hours
- No fever or fever reducing medication for 24 hours.
- Take extra precautions for an additional 5 days.

Stacy will be out of the office from April 7th—April 11th.
